You are at merchant webpage; you have entered your card number and details. If the merchant is enrolled in the service, once you click on "purchase", you will be directed to Credit Libanais page to enter your information and create your password.

The screenshot shows the registration page for MasterCard SecureCode. At the top left is the Credit Libanais logo with the text 'الائتماد اللبناني' and 'CREDIT LIBANAIS'. At the top right is the MasterCard SecureCode logo. Below the logos, the text reads: 'Added Safety Online. SecureCode™ protects against unauthorised use online - at no additional cost. For help [click here](#). To use MasterCard® on this and future purchases, complete this page. You'll then create your own SecureCode.'

The form contains the following fields and options:

- Expiry date*: Two input boxes for month and year, followed by '(MM/YY)'. Example: '01 / 12'.
- Card Verification Value *: Three input boxes for digits, followed by '(3 digits on the back of the card)'. Example: '123'.
- Date Of Birth*: Six input boxes for day, month, and year, followed by '(DDMMYY)'. Example: '01/01/2000'.
- Branch*: A dropdown menu showing '051 LIMASSOL'.
- Last 6 digits of mobile number *: Six input boxes for digits. Example: '123456'.
- Mandatory Field*: A checkbox labeled 'Please accept the [Terms of Service](#)'.
- A 'Continue' button.
- A note: 'This information is not shared with the Merchant.'

You need to fill all the fields as requested. These fields will be checked by the bank and must match the bank database.

You also need to accept the Terms and Conditions to be able to continue registering. If you can, print and read otherwise they are available on Credit Libanais website for your easy access at any time.
